

Management Response and Action Plan (MRAP):

Formative Evaluation of the Partnership for Gender Equality

Programmatic Recommendations

Recommendations	Commitments	Actions	Responsibility Centre	Completion Date
-----------------	-------------	---------	-----------------------	-----------------

3. Investor capital mobilization

The departmental lead for the Partnership for Gender Equality should work with the Equality Fund to reassess the target for external investor capital mobilization as part of the gender-lens investment program. They should determine if there is a continued need for such a target and, if so, how a revised approach can better reflect the objectives of the initiative, its structure, and the potential
